KUALA LUMPUR, 15 June 2021: MMC Gamuda KVMRT (T) Sdn. Bhd. wishes to announce that the KL and Kepong bounds on Jalan Sultan Azlan Shah will be reinstated to its original alignment.

The approximately 300m stretch along Jalan Sultan Azlan Shah (KL-bound) between Jalan Selvadurai (traffic lights near HSBC Bank) and Jalan Kasipillay which was realigned in March 2017, will be opened to traffic by 12:01 am on 16 June 2021.

Meanwhile, the Kepong-bound stretch of the said road which was realigned in June 2017, was reinstated and opened to traffic on 21 April 2021. This included the opening of the ramp in front of Viva Mall.

Both bounds of this particular stretch of Jalan Sultan Azlan Shah were realigned to make way for the construction of the future MRT Sentul Barat underground station as part of the MRT Putrajaya Line Project. Initially, this stretch of road was scheduled to be reinstated and returned to its original alignment by December 2021.

During the opening of the road, motorists are advised to follow the directional signage. The MRT Project Traffic Team will also be deployed to help ease traffic flow.
